

THE ASCAP FOUNDATION LEGACY SOCIETY NAMED PROGRAMS

The ASCAP Foundation offers naming opportunities for those interested in establishing a custom program named after themselves or a loved one. We are proud of the musical greats who have chosen to establish programs in their name and the many families that have memorialized loved ones' achievements by creating and funding a named program.

ESTABLISH A NAMED PROGRAM OF YOUR OWN

Keep alive your name and legacy or honor that of a loved one, for today's music community and for those of the next generation. The named program can be tailored to your wishes as encompassed within the mission of The ASCAP Foundation.

When you establish a Named Program at The ASCAP Foundation, you become part of The ASCAP Foundation Legacy Society in recognition of your generosity and commitment (unless you choose to remain anonymous). In addition, your new program will be featured on the Foundation's website, in the Planned Giving Booklet and The ASCAP Foundation *Notations* Newsletter.

The minimum amount required to establish a Named Program at The ASCAP Foundation is \$25,000, with 15% of those funds to be used for the administrative expenses associated with your program. This tax-deductible contribution can be given in one lump sum or as a planned gift, spread out over time with smaller annual installments.
